MEET MO

POWER UP

Go to powaudio.com to register your product for our best support.
You can also find warranty details, updates and other helpful information there.
Let us know about your POW experience. We'd love to hear from you.
*@**powaudio***

Charge time 2 hours
USB-C cable included
● *Red light: Charging*
No light: Charged (when your Mo is fully charged with the power off, the light will turn off)

PLAY

1. Expand the Mo WaveBloom™ by popping up one side, then the other.
2. Press the power button.
◯ *Blue light = on.*
3. Press the Bluetooth button to begin pairing.
● *Blinking blue light = ready to pair.*
4. Accept Mo on the sound source.
● *Solid blue light = paired.*
If you do not see Mo available on the sound source, make sure Bluetooth is turned on for both, your Mo is charged, and your sound source is searching for available devices.
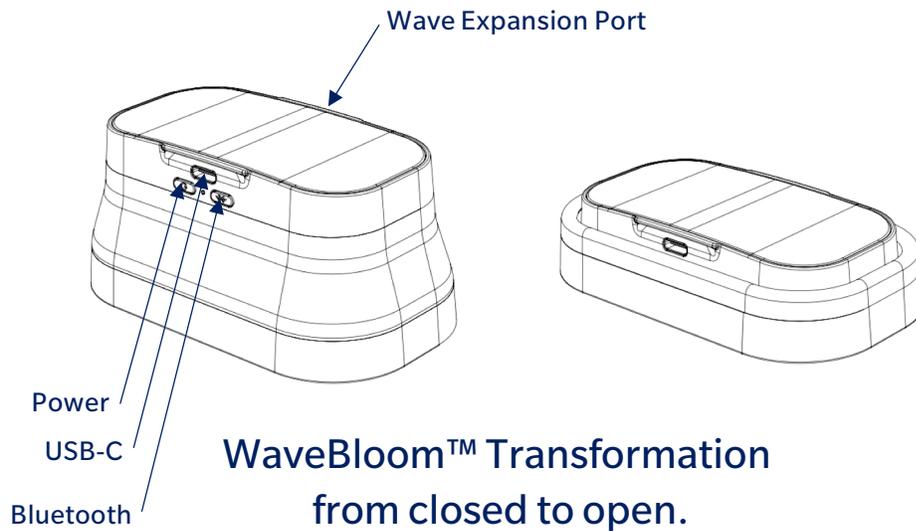

STEREO SYNC

Once your POW Mo is paired with a sound source, you can sync a second POW Mo to split stereo L/R channels and boost amplitude for a more immersive experience.

1. Power on the second Mo.
2. Press and hold the Bluetooth button on the first paired Mo for 3 seconds until the light blinks green ◯
and you hear the tone.
3. It is now ready to sync.
Short press Bluetooth on the second Mo until you see a solid green light ● *The second Mo is now synced.*
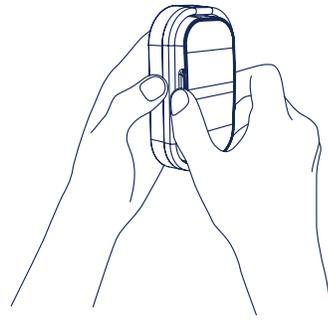

RESET

In case you need to reset Mo, hold down the power button for 8 seconds.

## WaveBloom™ Transformation from closed to open.

MO OPENING INSTRUCTIONS

1. Hold Mo firmly in one hand by the base, with the bottom plate facing your palm.

2. Using your other hand, place your thumb on one side ridge, and your index finger on the other ridge without covering the Wave Expansion Port.

3. Expand WaveBloom™ by popping out one side first.

4. Then the other.
